God versus "Climate Change" #1

According to the Environmental Protection Agency's website:

Scientists have pieced together a picture of Earth's climate, dating back hundreds of thousands of years, by analyzing a number of indirect measures of climate such as ice cores, tree rings, glacier lengths, pollen remains, and ocean sediments, and by studying changes in Earth's orbit around the sun.

This is their "evidence" for their "Climate Change" doctrine? According to the Bible, the Earth has not been in existence for "hundreds of thousands of years." In **Jude 1: 14**, Enoch is the "seventh from Adam," which covers **Genesis chapters 1-5**, and there is then a connection of generations until Abraham in **Genesis 10-11**. There were only 42 "generations" from Abraham to Jesus Christ (**Matthew 1:1-17**).

The EPA follows fictional Evolution for their "Climate Change" fantasy; God's Bible follows actual facts!

### **God versus "Climate Change" #2**

The entire "Climate Change" fantasy is supposedly based upon so-called scientists piecing "together a picture of Earth's climate, dating back hundreds of thousands of years" according to the Environmental Protection Agency's website.

Are these the same people who cannot accurately piece together a weekly forecast that can be etched in stone? Or are these so-called scientists really the "scoffers" who Peter said come:

... Walking in their own lusts, and saying, "Where is the promise of His coming? For since the fathers fell asleep, all things continue as they were from the beginning of creation." (**2 Peter 3:3-4**)

They willfully ignore the evidence for the worldwide flood in Noah's day which destroyed life on the Earth (**2 Peter 3:5-6**).

***If "Climate Change" is based upon willful ignorance, how ignorant are those who follow after it?***

God versus "Climate Change #3

Paul warned:

"O Timothy! Guard what was committed to your trust, avoiding the profane and idle babblings and contradictions of what is falsely called knowledge -- by professing it some have strayed concerning the faith."

(1 Timothy 6:20-21)

"Climate Change" is one of the recent "contradictions of what is falsely called "knowledge". **Science can only deal in what may be demonstrated.** The age of the Earth and weather patterns cannot be demonstrated but merely "guesstimated."

Now faith is the substance of things hoped for, the evidence of things not seen. **(Hebrews 11:1)**

"Climate Change" has no "evidence," but only wild guesses and estimates to support it. "Climate Change" is founded upon "blind faith" but the Bible faith has factual "evidence" to support it!

"If the blind leads the blind, both will fall into a ditch." **(Matthew 15:14)**

**God versus "Climate Change #4**

The false doctrine of "Climate Change" assumes that humans can influence and/ or control our "climate." Climate control is in the hand of God, not man. Paul showed that

... The living God [is He] who made the heaven, the earth, the sea, and all things that are in them ... Nevertheless He did not leave Himself without witness, in that He did good, gave us rain from heaven and fruitful seasons, filling our hearts with food and gladness.

**(Acts 14:15, 17)**

After the worldwide destruction of the Earth by the flood in Noah's day, God decreed:

"While the earth remains, Seedtime and harvest, Cold and heat, Winter and summer, And day and night Shall not cease." **(Genesis 8:22)**

How arrogant are those who try to act like God and claim to have control over the seasons?

**This is Johnny Polk, with "Words of Wisdom" brought to you by the Oneida church of Christ.**

Life Goes On

Though people want to "change the world," or "cleanse the world," or "control the world," they fail.

One generation passes away, and another generation comes;
but the earth abides forever.
The sun also rises, and the sun goes down,
and hastens to the place where it arose.
The wind goes toward the south, and turns around to the north;
the wind whirls about continually, and comes again on its circuit.
All the rivers run into the sea, yet the sea is not full;
to the place from which the rivers come, there they return again.
All things are full of labor; man cannot express it.
The eye is not satisfied with seeing,
nor the ear filled with hearing. (**Ecclesiastes 1:4-8**)

Whoever has no rule over his own spirit is like a city broken down,
without walls. (**Proverbs 25:28**)

We must begin by changing ourselves.
